# **15.Multidisciplinary** / interdisciplinary

- The Vision of National Education Policy, to provide high quality education to develop human resources in our nation as global citizens, is well taken by the university.
- A discussion among the faculty members were initiated on the key principles of NEP such as diversity for all curriculum and pedagogy with technological innovations in teaching and learning, encouraging logical decision making and innovation, critical thinking and creativity.
- In view of the NEP, affiliating university is preparing new interdisciplinary centres integrating different disciplines.
- Academic programmes are being redesigned to include Multidisciplinary/Interdisciplinary courses as electives.
- All programmes are being designed in such a way that students get maximum flexibility to choose elective courses offered.
- It can be said that the affiliating University is proactively working towards implementation of the suggestions given in the NEP.
- The College needs to start up incubation center, technological development center, industry academia linkages is the real analysis to attain quality education.
- The College has always strived for a multidisciplinary approach in its academic as well as co-curricular activities.
- Currently, affiliating Dr. Babasaheb Ambedkar Marathwada University, Aurangabad is in process of revision of its curriculum for students admitted in session 2022-23 onwards, in which provision will be made to offer minor degrees in the fields other than the parent discipline.

# 16.Academic bank of credits (ABC):

- The College follows a choice-based credit system prescribed by the affiliating University for some of its programmes.
- Affiliating Dr. Babasaheb Ambedkar Marathwada University, Aurangabad is now in the process to pass a resolution related to the ABC in the Academic Council.
- The College will formally register in the ABC portal as soon as the resolution is being approved by the higher academic bodies. The College preparedness in implementation of Academic Bank of Credits depends upon the guidelines of the affiliated University and Higher Education Department of Maharashtra Government.

- For this purpose, a centralised database along with the database of the College is to be established to digitally store the academic credits earned by the students from various courses so that the credits earned by student previously could be forwarded when the student enters into the program again.
- We are trying to enroll our students to online courses through National Schemes like SWAYAM, NPTEL etc., and is considering for credits earned against elective courses. Revision of curriculum has been started for year 2022-2023.
- These revisions are applicable for students admitted in session 2023-24 and onwards. We are in the process of developing a system for executing ABC in true spirit.

# **17.Skill development:**

- 18 Skill based short term courses have been designed and conducted by the college.
- The focus is towards integrated knowledge acquisition and upgrading human skills towards creating a new league of employable youth.
- All these steps are marching towards the implementation of NEP in the real sense.
- The College is already conducting the skill courses as designed by affiliating University.
- Also, under the employability of student in skill courses, the College has already been running courses Soft Skill and Personality Development, Tally, etc. College has made MoUs with diffrerent Skill Development Centers for providing internship programmes to the students.

**18.**Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

- The College encourages learning of all subjects in Indian languages.
- Programmes including webinars and seminars are offered to encourage Hindi and Marathi learners and understand the cultural values permeated by the literary works in Hindi and Marathi.
- In order to promote/integrate the local languages, arts and cultures, compulsory activities in the curriculum have to be added like literary activities etc. and through discussions/interactions/symposiums etc. in local languages which will fetch extra credit to the student.
- These changes will also increase the employability

opportunities for the teachers and subject matter experts of these languages.

- Frequent field trips to local heritage sites and museums shall value their culture and traditions which will boost tourism sector in State and create awareness amongst students.
- Indian Knowledge system will include knowledge from ancient India to modern India and clear sense of India's future aspiration with regard to education, health and environment.
- The university is in process of revision of its curriculum for students in 2022-23 onwards, in which subjects related to Indian knowledge systems will find a due place as elective subjects.

# 19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

- All programmes across Humanities, Social Sciences, Commerce and Sciences are offered as outcomes-based education (OBE) which is designed by affiliating University keeping in mind the regional and global requirements.
- The College has implemented outcome-based education with clearly stated Programme Outcomes, Programme Specific Outcomes and Course Outcomes.
- The Course Objectives (COs) are also aligned to the PO philosophy. Program Outcomes and Course Outcomes displayed on our website and prominent places in the departments.
- All courses are designed with outcomes centred on cognitive abilities namely Remembering, Understanding, Applying, Analysing, Evaluating and Creating.
- Apart from the domain-specific skills, learning outcomes at all levels ensure social responsiveness and ethics, as well as entrepreneurial skills so those students contribute proactively to economic, environmental and social well-being of the nation.
- College, being affiliated with concerned university follows guidelines as and when directed.

# **20.Distance education/online education:**

- Due to Covid-19 pandemic, educational institutions in the country have increasingly involved in using the digital platforms for engaging classes, conducting conferences and meetings.
- Keeping aside the negative impact of lack of face to face learning, online education has broken the geographical barriers creating interaction of experts and students from distant geographies.
- Opening up of the economy including that of educational

institutions have paved way of adopting hybrid mode of education i.e. online/offline teaching and learning.

- Faculties are encouraged to offer MOOCs courses at our College which promote the blended learning system of learning.
- This College is already prepared, especially during COVID-19 pandemic situations and teaching-learning process through different online modes like Google Meet, Google Classroom, Zoom, WhatsApp etc.
- Departments of College have best practice of Departmental Blogs which impart various video lectures, references, question banks, PPTs, YouTube lectures etc.
- The College campus is Wi-Fi enabled and hence no obstacle in online education.
- This College is preparing to make available all such type of econtent material prepared by faculty members to all students through online mode to meet the future challenges.
- College has successfully imparted all its courses content delivery in online mode during the Pandemic (COVID-19) and also conducted online examinations successfully by using our own team.
- We are trying to enroll our students to online courses through National Schemes like SWAYAM, NPTEL etc., and is considering for credits earned against elective courses.

# **1.3 - Curriculum Enrichment**

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

A description of courses which address Gender, Environment and Sustainability, Human Values and Professional Ethics

Gender:-

In the courses of B.A. and M.A. in languages feminist literature

addresses issues related to women such as women education, to prevent exploitation of women. The feminist literature promotes gender equality. In the curriculum of Social Sciences (Sociology, Political Science, History and Economics) gender equality is promoted. In addition we have women empowerment cell through which a number of activities are carried out for the empowerment of girl students.

Environment and Sustainability:-

The issue of environment is addressed through a separate compulsory paper of Environment Science at B.A.II, B.Com.II and B.Sc.II. Through literature in languages, social sciences and sciences (Botany, Zoology and Chemistry) the awareness of issues related to environment, to protect, to conserve and to love the environment are promoted.

Human Values:-

Literature in languages promotes human values like equality, brotherhood and integrity. Human values such as truth, national integration, observance of fundamental duties, peace, love, equality, etc. are included in the curriculum of Arts, Science and Commerce courses.

Professional Ethics:-

Issues of professional ethics are addressed in the curriculum of Commerce, Economics, Sociology, Political Science and languages.

# 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

```
The college conducts test for identification of slow and advanced
learners immediately after the completion of admission process for
the entry level students i.e. (B.A.-I, B.Com-I, B.Sc.-I). The
students securing 50% and above are identified as advanced learners
```

and the students securing below 50% are slow learners. For the academic excellence of slow and advanced learners various special programs are arranged by the respective department under observation of IQAC.

For slow learners every department of our college conducts a Bridge Course to improve basic knowledge of the subject. For better understanding teacher uses ICT tools like Projector, Youtube videos, visualizer etc. Special attention is given to slow learners through Mentor -Mentee Scheme.

For advance learners we arrange guest lectures, class seminars, group-discussion, solving of question papers, oral test, etc. For advanced learners' special attention is given by the faculty by providing them books, E-journals, reference books, previous year question papers. For undergraduate classes- B.A. III, B. Sc.I, II, III (Electronics, Botany and Zoology) Project work is

assigned. The faculty and experts guide the students with regard to research projects. Two guest lectures are arranged for slow and advanced learners. The experts from various fields are invited to enlighten the students.

# 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

To make learning process more effective and enjoyable, experiential

learning, participative learning and problem solving methodologies are used by the teachers. All the teachers are well aware of the fact that the experiential learning is the process of learning through experience, it is learning through reflection on doing. The faculty members organize various activities such as class seminars, field visits, mock teaching, group discussion, visit to banks, visit to forts, visit to industrial areas; projects are undertaken and thus make the teaching learning process more effective. It is so because there our students get opportunity to teach the class like their teachers. We find active participation of students in mock teaching and class seminars and they gain better understanding of the new knowledge.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teachers of our college from all faculties i.e. Arts, Commerce and Science, use ICT enabled tools for making teaching-learning process more effective and interesting.

Every department of our college has their own departmental blogs, on

which all the study materials like notes, question papers, activities, assignments; audio-video lectures are available. Students use this material for their study. Teachers have created subject related groups on social cites through which they communicate and share study material with students.Our library has Ebooks, E-journals and E-learning material. Students can search and get the required books through this software.

With regular methods, we introduced various non-conventional methods in teaching learning process like-

Lectures on Facebook live

Science practical through Virtual Laboratory

Class seminars on Smart Board

Home assignments on Google classroom etc.

Even though our college belong to aspirational area, still we provide ICT tools we use in teaching learning process.

# **3.2 - Innovation Ecosystem**

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Taking into consideration the importance of eco system in education, our institution has taken initiatives to cater the need of students. Reorientation of higher education is essential for whole society to face the challenges of 21st century. Our attempt is to gain fostering connection between teachers (Service Providers) and students (Service users) and between formal and informal learning. Our institution is taking efforts to inculcate the systematic way for implementation of knowledge in the theory to be practiced. We have made available Common Research Center where both teachers and students can undertake research projects. It is noteworthy that 52 students got research project grant under DBT- Star College scheme. Knowing the significance of innovative practices, ideas, products, concepts etc, the Government of Maharashtra along with university has been organizing university and State Level Avishkar Competitions and our students have bagged first and second awards consequently three years in the university level Avishkar Competitions. Through Women Empowerment Cell the students, faculty and all other stakeholders have done a commendable job in respect of equity, gender, the rights of women and their safety. Thus the efforts of our institution to create an eco-system and other initiatives for creation and transfer of knowledge are noteworthy.

## **6.2 - Strategy Development and Deployment**

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The college has prepared both long term perspective plan (2022-2023) and short term (yearly) strategic plans, including curricular, cocurricular, infrastructural development facilities and extension activities. Through its decentralized functioning the college is striving hard to implement these plans effectively.

Deployment of institutional Strategic/ perspective/development plan

The perspective plan reflects vision and mission of the college and is an important key component for development and deployment process. The IQAC has designed perspective development plan of 2022-2023 taking into consideration the recommendations of NAAC peer team of the third cycle and also incorporated inputs from different stakeholders for Academic, Infrastructural and Extension activities setting benchmarks for future achievements.

Decisions regarding sustainable growth of college are given prime importance. It comprises of wide array of components like curriculum enrichment, faculty development, holistic student development, augmentation of academic and infrastructural facilities, ICT enabled teaching-learning and evaluation, support services, effective administration, etc.

Accomplishment of perspective plan and Recommendations by NAAC Peer Team (3rd Cycle):

Add-on and skill based courses.

Need based and job oriented PG programmes in science stream.

Alumni association has been registered and strengthened.

Hostel facilities are provided for boys students.

The year wise strategic plan has been successfully implemented. Its execution is being monitored by the Principal and IQAC.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

#### Procedure of Performance Appraisal System

Right from the beginning the college has performance appraisal system for teaching and non

teaching staff. Promotional policy of the college is transparent and in accordance with rules and regulations of the affiliating University and State Government. Performance of faculties is evaluated through Academic Performance Indicators and Performance Based Appraisal System specified by the affiliating University and the state government. At the end of every academic year all teachers have to submit Performance Based Appraisal

System (PBAS) in the prescribed format provided by the government and the university as per UGC norms. The PBAS form duly filled in along with all enclosures is submitted to the college through IQAC. The teacher's performance is duly verified by the head of the department, IQAC coordinator and the principal. Based on the performance in the preceding three years, the concerned teacher is placed in the next promotion level by the university through Career Advancement Scheme (CAS). In case of the non-teaching staff, Confidential Reports are maintained every year which are scrutinized by the principal and the management. The eligible non-teaching staff is placed in the next promotion level based on his/her performance.

### 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Ramkrishna Paramhansa Mahavidyalya, Osmanabad has been striving hard to inculcate confidence, social awareness, to know potential and overcome inequalities, gender discrimination values in girl students through Santhamata Sushiladevi Salunkhe Mahila Utkarsha Activity. The activity like Women's meet, Her platform, International Seminar, was carried out. Evidence of success is that our college girl students strength is more than 55% and also college girl student got medals, awards in sports, qualified competitive examinations. In this digital era, students should have be predictable spreading scientific culture is useful in inculcating certain values and attitudes, scientific temper, rationality, reasoning. Under this practice, students are motivated to be interested in scientific research and the technologies. We organize exhibitions, poster presentations competitions and science day to make aware natural environment, responsibility, tolerance, confidence, creativity, vision among the students. Our success is science projects enable the students to develop moral values, application of knowledge of subject in the field by experimental learning, to update students for current scenario and also students got research fellowship from Foreign country.

# **1.3 - Curriculum Enrichment**

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

A description of courses which address Gender, Environment and Sustainability, Human Values and Professional Ethics

#### Gender:-

In the courses of B.A. and M.A. in languages feminist literature addresses issues related to women such as women education, to prevent exploitation of women. The feminist literature promotes gender equality. In the curriculum of Social Sciences (Sociology, Political Science, History and Economics) gender equality is promoted. In addition we have women empowerment cell through which a number of activities are carried out for the empowerment of girl students.

Environment and Sustainability:-

The issue of environment is addressed through a separate compulsory paper of Environment Science at B.A.II, B.Com.II and B.Sc.II. Through literature in languages, social sciences and sciences (Botany, Zoology and Chemistry) the awareness of issues related to environment, to protect, to conserve and to love the environment are promoted.

Human Values:-

Literature in languages promotes human values like equality, brotherhood and integrity. Human values such as truth, national integration, observance of fundamental duties, peace, love, equality, etc. are included in the curriculum of Arts, Science and Commerce courses.

Professional Ethics:-

Issues of professional ethics are addressed in the curriculum of Commerce, Economics, Sociology, Political Science and languages.

# 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college conducts test for identification of slow and advanced learners immediately after the completion of admission process for the entry level students i.e. (B.A.-I, B.Com-I, B.Sc.-I). The

students securing 50% and above are identified as advanced learners and the students securing below 50% are slow learners. For the academic excellence of slow and advanced learners various special programs are arranged by the respective department under observation of IQAC.

For slow learners every department of our college conducts a Bridge Course to improve basic knowledge of the subject. For better understanding teacher uses ICT tools like Projector, Youtube videos, visualizer etc. Special attention is given to slow learners through Mentor -Mentee Scheme.

For advance learners we arrange guest lectures, class seminars, group-discussion, solving of question papers, oral test, etc. For advanced learners' special attention is given by the faculty by providing them books, E-journals, reference books, previous year question papers. For undergraduate classes- B.A. III, B. Sc.I, II, III (Electronics, Botany and Zoology) Project work is

assigned. The faculty and experts guide the students with regard to research projects. Two guest lectures are arranged for slow and advanced learners. The experts from various fields are invited to enlighten the students.

2.3 - Teaching- Learning Process		

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

To make learning process more effective and enjoyable, experiential learning, participative learning and problem solving methodologies are used by the teachers. All the teachers are well aware of the fact that the experiential learning is the process of learning through experience, it is learning through reflection on doing. The faculty members organize various activities such as class seminars, field visits, mock teaching, group discussion, visit to banks, visit to forts, visit to industrial areas; projects are undertaken and thus make the teaching learning process more effective. It is so because there our students get opportunity to teach the class like their teachers. We find active participation of students in mock teaching and class seminars and they gain better understanding of the new knowledge.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teachers of our college from all faculties i.e. Arts, Commerce and Science, use ICT enabled tools for making teaching-learning process more effective and interesting. Every department of our college has their own departmental blogs, on which all the study materials like notes, question papers, activities, assignments; audio-video lectures are available. Students use this material for their study. Teachers have created subject related groups on social cites through which they communicate and share study material with students.Our library has E-books, E-journals and E-learning material. Students can search and get the required books through this software.

With regular methods, we introduced various non-conventional methods in teaching learning process like-

Lectures on Facebook live

Science practical through Virtual Laboratory

Class seminars on Smart Board

Home assignments on Google classroom etc.

Even though our college belong to aspirational area, still we provide ICT tools we use in teaching learning process.

# 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Taking into consideration the importance of eco system in education, our institution has taken initiatives to cater the need of students. Reorientation of higher education is essential for whole society to face the challenges of 21st century. Our attempt is to gain fostering connection between teachers (Service Providers) and students (Service users) and between formal and informal learning. Our institution is taking efforts to inculcate the systematic way for implementation of knowledge in the theory to be practiced. We have made available Common Research Center where both teachers and students can undertake research projects. It is noteworthy that 52 students got research project grant under DBT- Star College scheme. Knowing the significance of innovative practices, ideas, products, concepts etc, the Government of Maharashtra along with university has been organizing university and State Level Avishkar Competitions and our students have bagged first and second awards consequently three years in the university level Avishkar Competitions. Through Women Empowerment Cell the students, faculty and all other stakeholders have done a commendable job in respect of equity, gender, the rights of women and their safety. Thus the efforts of our institution to create an eco-system and other initiatives for creation and transfer of knowledge are noteworthy.

### **3.4 - Extension Activities**

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The College carried out various extension activities to promote institute neighborhood community to sensitize the students

towards community needs. College strongly believes that these values mustbe inculcated among today's youths so that they must become better citizens and realize their responsibility of serving the society and the nation. National Cadet Corps unit: NCC unit is very much active .It helps the college for cleaning its own campus and also helps the society by cleaning busy public areas like bus stand, railway station. NSS also voluntarily participate in all above program. Apart from that they also create awareness in the society about how tobacco consumption is hazardous. Voter awareness rally is also conducted by our NSS volunteers. Blood donation camp, Aids awareness camp and health checkup along with public lecture on rights and laws of the HIV victim were the different activities conducted by NSS unit. Auspicious month of Shravan especially for girl students was celebrated in our college in a unique way. It was done through arranging competitions like one minute show, musical chair, funny games etc. Celebration of Mahatma Gandhi jayanti was done by arranging program Best out of Waste. College has initiated a platform named as "Ti" chvyaspeeth to become bold and share their thoughts.

#### 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

```
The college has prepared both long term perspective plan
(2022-2023) and short term (yearly) strategic plans, including
curricular, co-curricular, infrastructural development facilities
and extension activities. Through its decentralized functioning
the college is striving hard to implement these plans
```

effectively.

Deployment of institutional Strategic/ perspective/development plan

The perspective plan reflects vision and mission of the college and is an important key component for development and deployment process. The IQAC has designed perspective development plan of 2022-2023 taking into consideration the recommendations of NAAC peer team of the third cycle and also incorporated inputs from different stakeholders for Academic, Infrastructural and Extension activities setting benchmarks for future achievements.

Decisions regarding sustainable growth of college are given prime importance. It comprises of wide array of components like curriculum enrichment, faculty development, holistic student development, augmentation of academic and infrastructural facilities, ICT enabled teaching-learning and evaluation, support services, effective administration, etc.

Accomplishment of perspective plan and Recommendations by NAAC Peer Team (3rd Cycle):

Add-on and skill based courses.

Need based and job oriented PG programmes in science stream.

Alumni association has been registered and strengthened.

Hostel facilities are provided for boys students.

The year wise strategic plan has been successfully implemented. Its execution is being monitored by the Principal and IQAC.

Right from the beginning the college has performance appraisal system for teaching and non

teaching staff. Promotional policy of the college is transparent and in accordance with rules and regulations of the affiliating University and State Government. Performance of faculties is evaluated through Academic Performance Indicators and Performance Based Appraisal System specified by the affiliating University and the state government. At the end of every academic year all teachers have to submit Performance Based Appraisal

System (PBAS) in the prescribed format provided by the government and the university as per UGC norms. The PBAS form duly filled in along with all enclosures is submitted to the college through IQAC. The teacher's performance is duly verified by the head of the department, IQAC coordinator and the principal. Based on the performance in the preceding three years, the concerned teacher is placed in the next promotion level by the university through Career Advancement Scheme (CAS). In case of the non-teaching staff, Confidential Reports are maintained every year which are scrutinized by the principal and the management. The eligible nonteaching staff is placed in the next promotion level based on his/her performance.

#### 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Ramkrishna Paramhansa Mahavidyalya, Osmanabad has been striving hard to inculcate confidence, social awareness, to know potential and overcome inequalities, gender discrimination values in girl students through Santhamata Sushiladevi Salunkhe Mahila Utkarsha Activity. The activity like Women's meet, Her platform, International Seminar, was carried out. Evidence of success is that our college girl students strength is more than 55% and also college girl student got medals, awards in sports, qualified competitive examinations. In this digital era, students should have be predictable spreading scientific culture is useful in inculcating certain values and attitudes, scientific temper, rationality, reasoning. Under this practice, students are motivated to be interested in scientific research and the technologies. We organize exhibitions, poster presentations competitions and science day to make aware natural environment, responsibility, tolerance, confidence, creativity, vision among the students. Our success is science projects enable the students to develop moral values, application of knowledge of subject in the field by experimental learning, to update students for current scenario and also students got research fellowship from Foreign country.
